5031 Statuario Maximus is a polished quartz surface from Caesarstone, with the crisp white field and striking gray veining of Statuario marble. As an engineered quartz it's non-porous and never needs sealing, resisting stains, scratches and everyday wear while staying remarkably uniform slab to slab.

## CARE & INSTALLATION

Clean with warm water and mild soap; use trivets and avoid abrasive pads. Quartz needs no routine sealing. Confirm heat, chemical and exterior-use limits in the selected manufacturer's care and warranty documents. View the actual color and confirm finish and thickness before fabrication.
