DEKTON · DEKTON

Sandik

Type	**Dekton**
Brand	**Dekton**
Finish	**Matte**
Thicknesses	**0.8cm, 1.2cm, 2cm**
Color family	**White**
Sealing	**No routine sealing required**

Sandik is a matte Dekton surface, in a warm, neutral cream-to-beige tone. An ultracompact sintered surface, Dekton is extremely hard, non-porous, UV-stable and heat-resistant — rated for indoor counters as well as outdoor kitchens, facades and flooring.

CARE & INSTALLATION

Follow the manufacturer's cleaning and installation instructions for this ceramic or sintered surface. Use a soft cloth and mild cleaner; protect edges from impact. Confirm the selected product's exterior-use, heat and fabrication requirements with the manufacturer. No routine sealing is required.
