405 Midday is a polished quartz surface from Caesarstone. Engineered quartz is non-porous, scratch- and stain-resistant, and color-consistent from slab to slab — a durable, low-maintenance choice for busy kitchens and baths.

### CARE & INSTALLATION

Clean with warm water and mild soap; use trivets and avoid abrasive pads. Quartz needs no routine sealing. Confirm heat, chemical and exterior-use limits in the selected manufacturer's care and warranty documents. View the actual color and confirm finish and thickness before fabrication.
