Carrara Mist is a polished quartz surface from MSI's Q Premium Natural Quartz collection, with the soft white-gray background and fine, feathery veining of Carrara marble. Engineered quartz blends natural quartz with resin for a hard, non-porous surface that shrugs off stains and scratches and keeps a consistent look across every slab.

## CARE & INSTALLATION

Clean with warm water and mild soap; use trivets and avoid abrasive pads. Quartz needs no routine sealing. Confirm heat, chemical and exterior-use limits in the selected manufacturer's care and warranty documents. View the actual color and confirm finish and thickness before fabrication.
