
VICOSTONE · QUARTZ

# Graphite

| | |
|---|---|
| Type | **Quartz** |
| Brand | **Vicostone** |
| Finish | **Polished** |
| Thicknesses | **2cm, 3cm** |
| Color family | **Gray** |
| Sealing | **No routine sealing required** |

Graphite is a polished quartz surface from Vicostone, in a deep, dramatic near-black tone. Engineered quartz is non-porous, scratch- and stain-resistant, and color-consistent from slab to slab — a durable, low-maintenance choice for busy kitchens and baths.

## CARE & INSTALLATION

Clean with warm water and mild soap; use trivets and avoid abrasive pads. Quartz needs no routine sealing. Confirm heat, chemical and exterior-use limits in the selected manufacturer's care and warranty documents. View the actual color and confirm finish and thickness before fabrication.
