Calacatta Coloma

Type	Quartz
Brand	Trends in Quartz
Finish	Polished
Color family	White
Sealing	No routine sealing required

Calacatta Coloma is a polished quartz surface from the Trends in Quartz collection, with the bright white ground and bold, dramatic gray veining of classic Calacatta marble. As an engineered quartz it's non-porous and never needs sealing, resisting stains, scratches and everyday wear while staying remarkably uniform slab to slab.

CARE & INSTALLATION

Clean with warm water and mild soap; use trivets and avoid abrasive pads. Quartz needs no routine sealing. Confirm heat, chemical and exterior-use limits in the selected manufacturer's care and warranty documents. View the actual color and confirm finish and thickness before fabrication.
