

GRANITE

White Ornamental

Type	Granite
Finish	Polished
Color family	White
Origin	Espírito Santo, Brazil
Sealing	Confirm requirements for the selected stone

White Ornamental (Ornamental White) is one of the classic granites quarried in the northern part of Espírito Santo, Brazil, alongside relatives like Giallo Ornamental and New Venetian Gold. It is an igneous rock with a light gray-to-creamy-beige background patterned by brown and black speckles. 'Ornamental' is a long-standing trade family name for these decoratively flecked Brazilian granites.

CARE & INSTALLATION

Clean with warm water and a stone-safe cleaner; wipe spills promptly and use trivets. Sealing needs depend on the selected stone and its use; confirm the care schedule with us. Slab movement and tone vary from swatches. Confirm the actual slab, finish and thickness before fabrication.
