

MSI STAINLESS STEEL SINKS

SINGLE BOWL HANDCRAFTED FARMHOUSE WITH APRON 3321

SIN-16-SINBWL-WEL-3321FSAF

This handcrafted single bowl undermount sink features a slightly curved apron for that sought-after finished look. Constructed with 16-gauge stainless steel for reliable durability, it offers one generously sized basin that's 10" deep. Big family dinners? No problem.

This hardworking sink can handle oversized cookware like stockpots, slow cookers, and baking sheets. An ideal choice for busy homes and light commercial environments, this sink includes innovative sound shielding pads to help improve the washing experience. Its beautiful brushed satin finish makes clean-up a breeze and helps minimize water spots and small scratches.

Long lasting quality and elegance come together in this popular large basin sink.
